Re: CCRTIS Accreditation

DEFEND-IT Legal Services has successfully completed the Canadian Criminal Real Time Identification Services (CCRTIS) Accreditation process, which authorizes your company to take and submit civil fingerprints electronically for Criminal Record verification (non-criminal purposes only) to the Real Time Identification (RTID) system from the following location:

600 Granite Court, Suite 103, Pickering, ON L1W 3Y8

The CCRTIS Accreditation Program assesses the security and administrative operations of private fingerprinting companies that intend to take fingerprints for non-criminal purposes. Upon completion of the Accreditation process, periodic auditing measures may be conducted to ensure that your company continues to process civil fingerprints in accordance with CCRTIS Accreditation Policy. DEFEND-IT Legal Services must comply with the Accreditation Agreement in order to maintain accreditation as a Private Fingerprinting Company. DEFEND-IT Legal Services is certified to operate as an affiliate of Global ID Services and is authorized to submit electronic fingerprint transactions to CCRTIS via the Global ID Services server.

We look forward to working with your company to uphold the quality and integrity of non-criminal fingerprint identification services in Canada.

Sincerely,

Alison Ste. Marie
